HONORING VANCE.

Stately Services Performed by the Senate Yesterday.

Over the Remains of the Late Senator.

DECKED IN FLOWERS.

The Floral Tributes Profuse and Beautiful.

WASHINGTON, April 17.—When the senate reconvened at 3:30 o'clock yesterday afternoon, after the recess taken out of respect to the late Senator Vance, the chamber presented a metamorphosed appearance. The chairs of the senate had been crowded more closely together and additional seating capacity was obtained by bringing in a large number of light folding chairs and placing them in every possible space. Large upholstered armchairs were placed in the semi-circular space facing the vice president's desk, those of the family of the deceased statesman and invited guests being on his left, and for the president and other officials on the right. On the clerk's desk was a massive floral piece, representing a tall column, composed of the dark, copper colored leaves of a North Carolina plant, while at the foot of the shaft was the emblem of peace, the palm branch, and twined around it a wreath of La France roses. This was the tribute from the deceased statesman's colleagues in the senate.

At 3:30 the casket was borne from the marble room by nine capitol policemen in uniform and laid before the vice president's rostrum. The lid was hidden by a mass of flowers, chiefly white roses tied with broad purple ribbons. When the active pallbearers had deposited their burden, a number of pines were brought in and grouped about the form of the dead senator. Everywhere was the pine, seeming to bring the pungent fragrance of the North Carolina mountains into the chamber. A few minutes later the family of Senator Vance entered and soon after committees of the senate and house appointed to attend the funeral entered.

Then came the honorary pallbearers who were seated at the side of the casket facing the audience. "The speaker and members of the house of representatives," announced the usher and Speaker Crisp was escorted down the main aisle and took a seat beside the vice president, while the members of the house ranged themselves in the space in the rear of the hall.

Then followed the chief justice and the associate justices of the supreme court, who were shown to their seats. "The president of the United States and his cabinet," was announced by the usher, and the assembly arose and remained standing until the president, accompanied by all the members of the cabinet except Secretary Lamont, passed down the main aisle and were seated.

Sir Julian Pauncetot, the British ambassador, was escorted to a seat next to the cabinet officers. Other distinguished guests who were present but not announced were Bishop Keane, rector of the Catholic university, who came in quietly and took a seat at the extreme right of the vice president's dais, and the committee of the District of Columbia Society of the Sons of the American Revolution, General J. C. Breckinridge, General A. W. Greely, General George H. Shields and Captain C. D. Cowles, who occupied seats in the reserved gallery.

At 4 o'clock the invited guests being all present, Rev. D. Moses D. Hoge, of Richmond, Va., offered prayer and then delivered the sermon. The funeral escort left the capitol by the eastern door from the senate chamber. The casket was carried down the long flight of stone steps between the lines of senators and representatives, who acted as honorary pallbearers. The funeral party was driven to the Pennsylvania depot accompanied by a delegation of North Carolinians on foot. The remains were taken to Asheville, N. C., where the interment is to take place on a special train over the Richmond & Danville road, which left Washington last night. Besides the committees of the two houses, it carried the family of the late senator, representatives of the office of sergeant-at-arms and secretary of the senate and a committee of citizens from North Carolina.

NO BUSINESS TRANSACTED.

House and Senate Adjourned Out of Respect for Senator Vance.

WASHINGTON, April 17.—The senate yesterday paid respect to the memory of the late Senator Vance of North Carolina. In his opening prayer the chaplain alluded to the deceased in words of touching sympathy and honor. Appropriate resolutions were adopted, and the following honorary pallbearers, on the part of the senate, were appointed by the vice president: Senators Morrill, Sherman, Harris and McPherson.

The senate then recessed until the hour when the funeral services were conducted. At the conclusion of the ceremonies the senate adjourned. In the house resolutions of respect to the memory of the distinguished North Carolinian were adopted. The house, as a body, participated in the funeral ceremonies in the senate chamber. The following members of the house were appointed a committee to accompany the remains of the late senator to North Carolina: Messrs. Henderson of North Carolina, Brookshire of Indiana, Crawford of North Carolina, Daniels of New York, Strong of Ohio, Blair of New Hampshire and Houk of Tennessee. Appropriate resolutions were also adopted in honor of the memory of

General Henry W. Slocum, the gallant Union general, formerly a member of the house, who died in Brooklyn last Saturday, and then, as a further mark of respect for the late Senator Vance, the house adjourned.

PACIFIC RAILWAY DEBTS.

House Committee Will Request Recipients of Union Pacific to Appear.

WASHINGTON, April 17.—The house committee on Pacific railroads yesterday continued its consideration of the proposed legislation for the payment of the indebtedness of these roads to the United States. Chairman Reilly was instructed to request the presence before the committee of the receivers of the Union Pacific and of Hon. George Hoadley, the special counsel of the United States, the committee to get from these persons information of the present status of affairs of the road and of the action taken by the government to protect its interest.

During the recess of the house, the committee held another meeting, at which a subcommittee was appointed to which will be referred all the pending bills bearing on the subject, and which will do the active work in the preparation of any legislation that may be decided upon.

Admiral Irwin on the Retired List. WASHINGTON, April 17.—At Honolulu yesterday Admiral Irwin hauled down his flag and transferred the command of the vessels on the station to Admiral John Walker, taking his own place on the retired list of the navy.

OUTLAWRY IN THE STREET.

Streets Held Up in San Francisco and Occupants Robbed. SAN FRANCISCO, April 17.—Two street cars have been held up by highwaymen in San Francisco within four days. The last robbery occurred early this morning, when a Hayes street cable car was stopped by masked robbers in a thickly populated district and the conductor, the gripman and the single passenger robbed of all their valuables.

The robbers realized two watches and about \$50. The robbers escaped. Another streetcar was held up on the San Bruno road last Sunday night, for which crime two young men living near the scene of the robbery are now under arrest.

The Fur Will Fly. OWEN, Ky., April 17.—The news of the verdict in the Pollard-Breckinridge case created no particular surprise here, and especially among the voters. The feeling regarding Breckinridge is about the same as before the verdict. If anything his friends appear more active, as they assert that the result of the trial will cut no figure in this end of the district. Breckinridge telegraphed to some of his friends yesterday that he was in the race to win, and to communicate the same to his friends in this county. Now that the result of the trial is known, it is supposed that Settle will begin at once an active canvass. Lively times are expected in the near future and the fur will fly.

Killed by a Boiler Explosion. SPRINGFIELD, Ohio, April 17.—At 1 o'clock yesterday afternoon Breese's saw mill near Hamilton was wrecked by the boiler exploding, and Engineer Nate Weatherby and Frank Breese, brother of the proprietor, were instantly killed. Ed Everhart, Grant Martin, Charles Boslin and Sam Houston were seriously and probably fatally injured.

Killed His Daughter. ST. JOSEPH, Mo., April 17.—George Miller, a farmer living near Forest City, twenty miles north of here, shot and instantly killed his 12-year-old daughter yesterday afternoon. He was handling a loaded revolver, when it was accidentally discharged, with fatal results. The father is prostrated and fears are felt for his reason.

Sandbagged and Robbed Far From Home. SAN FRANCISCO, April 17.—W. S. Zook of Oregon, Mo., was sandbagged and robbed yesterday afternoon on Market street. He lost a gold watch and \$25 in money.

ELECTRIC SPARKS.

There is to be a bitter fight over the succession to Senator Vance of North Carolina.

In a wreck near Hilliard, Wyo., the engineer and fireman of the train were killed.

Senator Mills of Texas will probably succeed Mr. Breckinridge on the senate finance committee.

The Lexington preachers covertly denounced General Breckinridge in their sermons Sunday.

Under authority conferred by the act of March 8, 1893, the president has granted to the city of El Paso, Texas, for use as a public park, the site of the old Fort Bliss cemetery.

The supreme court has granted the motion to advance the case of McKane, appellant vs. Warden Durston, in Sing Sing, and it was set for hearing on April 23, ahead of the call.

The cash balance in the treasury at the close of business yesterday was \$133,021,993, and the net gold \$103,936,533, which is a loss on account of Saturday's exports of \$2,192,116.

Mr. Mulligan of Kentucky, who will succeed Mr. Blacklock as United States Consul General at Apia, Samoa, has been at the state department and taken the oath of office.

As a result of the discontent that has prevailed for some time among the joiners of Vienna, it has been decided to inaugurate a strike to-day. Ten thousand men are expected to refuse to work until their demands as to hours of labor and wages are conceded by the masters.

On Elm creek, five miles from Gainesville, Texas, a party of young people were having a picnic and one of the girls, Hattie Welch, aged 13 years, started with John Baldwin for a farm house a mile distant on an errand. Not returning, search was made and the girl was found in a thicket dead. She had been assaulted and killed. At least 500 citizens are now scouring the country hunting Baldwin and he will be burned at the stake if caught.

WHAT TO DO WITH IT.

When Coxe's Army Gets to Washington.

How Can It Be Properly Disposed Of?

OUTLOOK NOT BRIGHT.

Plenty of Laws Dealing With the Situation.

WASHINGTON, April 17.—Washington authorities, civil and military, are beginning to take an active interest in the arrival of Coxe's army. As the commonwealth approaches, and the stories of detachments from various cities begin to be authenticated, the outlook for a rather troublesome problem for the district authorities to solve becomes brighter. The question is: What will become of the Coxeyites after they disband? The individual members of the army will be without means to get out of the city, and General Coxe himself has disclaimed all intention of leading away the men he brings in to look as though they were the men might encamp in the District, and practically say to the authorities: "Here we are; and what do you propose to do with us?"

The District commissioners had prepared yesterday a list of the statutes under which Coxe and his men could be arrested and dealt with. There is no lack of law—laws against vagrancy, against bringing paupers into the District, against assembling on the capitol grounds or procession without a permit are in force.

Commissioner Ross, the president of the board, said the authorities do not think they will have trouble in dealing with the Coxey army, and that he considered the invasion chiefly dangerous because of the precedent it would establish. If disgruntled factions were to form the habit of marching upon the capitol in force to voice their demands, he thought it would be disturbing to legislation and decidedly uncomfortable for the residents of the city. There are 450 men on the local police force, but of course only a fraction of this body would be available to handle the Coxeyites, and the probabilities are that it would be necessary to call upon the militia for assistance. There are 1,400 troops so posted that they could be massed in marching order on two hours' notice from General Albert Ordway, their commander.

Kelly's Army Walk Out of Council Bluffs.

OMAHA, Neb., April 17.—Smooth shaven and sunburned, but with bright eyes and firm steps, General Kelly's troops marched out of Council Bluffs at 3 o'clock. At the head of the procession rode the general on a spirited sorrel horse, loaned him for the occasion by a sympathizing citizen. The general was welcomed with a given ovation, and several times was stopped by citizens who demanded a speech and the privilege of shaking his hand. By his side rode Sheriff Hazen, who went more as a pilot than a law officer. Behind the regular platoon formation, blankets rolled and bundles carried knapsack fashion, trudged the army, with step as firm as the muddy road would permit.

The general expressed a wish to cross the eastern boundary of Iowa at as near due east of Council Bluffs as possible. This made Davenport the point of crossing the Mississippi river and elected the Rock Island as the route to be followed.

Progress of the Commonwealth.

CUMBERLAND, Md., April 17.—Contrary to general expectations the army of the commonwealth did not leave here yesterday. The experience of mountain climbing in Pennsylvania which nearly disintegrated the army, deterred the leaders from attempting the hard climb over the steep ridge of Sidell mountains between here and Hancock. Coxe has been making a determined effort all day to secure canal boats to take the army by water to Williamsport, thus giving the men and horses another three days' rest. The people of Cumberland have become greatly reconciled to the commonwealth army and instead of meeting them with a vigilance committee on the edge of town as was threatened, have given them the use of the baseball park and the city has contributed freely food and money for their support.

More California Recruits.

SAN FRANCISCO, April 17.—The city authorities are arranging to send 500 unemployed to Chicago via Mojave for \$2,000. Three hundred members of the Second regiment of the industrial army of California, marched to the city hall yesterday morning and appealed for assistance. Mayor Elliott and Chief of Police Crowley called upon Southern Pacific officials, and the railroad company is expected to take the men as far as Mojave, where they can be turned over to the Atlantic and Pacific.

Here's Another Army.

CINCINNATI, Ohio, April 17.—Mr. John G. Grover, the Populist candidate for mayor of Cincinnati, last night announced that he will take 5,000 of Cincinnati's unemployed and present them in a body in Washington to the authors of their misfortune where, without firearms or threats of any sort, they will ask the national government to give them work or give them rations.

Walked Off a Train and Killed.

ST. LOUIS, Mo., April 17.—A telegram from DeSoto, Mo., says an old gentleman named F. L. Stewart of 132 North Twelfth street, Philadelphia, walked off the Iron Mountain express train as it left there late last night and received injuries from which he died at Piedmont, Mo., several hours later. Mr. Stewart had a large amount of money on his person, and receipts for several thousand dollars which had been sent him by express to Fort Worth, Texas.

ONE LONE HIGHWAYMAN.

He Holds Up a Stage and Captures \$2,000 in Silver.

ANGELS CAMP, Cal., April 17.—The stage from Angels Camp to Milton was robbed yesterday morning by a masked highwayman at Sam Crossett's, about three miles from town.

Wells-Fargo & Co.'s iron box was broken open and the contents taken. It contained about \$2,000 in silver. Two horsemen coming along at the time were ordered to stop and turn their backs upon the scene, but they overheard the robber tell the driver he would count what he had got when he had more time. Passengers and mail pouches were unmolested. Deputy Sheriff Dream and a posse of eight men started out immediately in pursuit of the robber.

BRECKINRIDGE'S APPEAL.

The Colonel and His Counsel Preparing to Move for a New Trial.

WASHINGTON, April 17.—Representative Breckinridge and his counsel were engaged yesterday in preparing their formal motion for a new trial, which will be presented to Judge Bradley to-day. This motion is a mere formality in the way of an appeal to the district court of appeals, for no one entertains the slightest idea that Judge Bradley will overrule the jury and grant the motion. The motion will be based upon the usual grounds that the verdict was contrary to law and to the evidence, and that the damages were excessive.

Chicago Citizens Protest.

CHICAGO, April 17.—A delegation of prominent West side citizens called on Mayor Hopkins yesterday to protest against the opening of the Garfield race track. They informed the mayor that the track had previously been conducted in a disgraceful and lawless manner and that its influence was extremely harmful to the city. Mr. Hopkins refused to say what action he would take, but remarked in a general way that he is not opposed to tracks. The delegation departed crestfallen, and it is generally believed that racing will be resumed at the track.

Morrill Captures Atchison County.

ATCHISON, Kan., April 17.—The Atchison county Republican convention was called to order in this city at 1:30 yesterday afternoon by Chairman A. J. Harvi. Delegates were elected to the state and congressional conventions, the former to be held in Topeka, June 6, and the latter at Valley Falls, April 18; favorable to Morrill of Hiawatha, for governor, W. F. Guthrie of this city, for attorney general, and Case Broderick of Holton, for congressman for the first district.

Judge Spencer Declines.

ST. JOSEPH, Mo., April 17.—Judge O. M. Spencer, general solicitor of the Burlington, who has been pushed by the Democrats of this district to make the race for Hon. D. D. Burnes' seat in congress, and who, it is thought, would accede to the wishes of the party, publicly announced that he will not make the race, as his interests are such that they will not permit.

Thrown From a Horse and Killed.

PLATE CITY, Mo., April 17.—Sunday afternoon Miss M. Atkinson was thrown from her horse in front of Mercer's store at Farley, in this county, as she was returning from a baptizing, and instantly killed. The horse reared and fell back on her, the horn of the saddle striking her in the breast.

For Morrill and Broderick.

LEAVENWORTH, Kan., April 17.—In the Republican county convention yesterday resolutions were adopted instructing the delegates to the state and congressional conventions to use all honorable means to secure the nomination of Major Morrill for governor and Case Broderick for congressman.

LATTER DAY SAINTS.

Conference in Session at Lamoni, Iowa. Receive a Special Revelation.

LAMONI, Iowa, April 17.—The session of the Latter Day Saints here yesterday was well attended, as everybody expected a special revelation in answer to Sunday's fasting and invocations. After routine business was finished a lengthy printed document was put into possession of the several quorums who retired to examine and pass upon it. It was a revelation and gave direction designed to set in order and correct certain errors in church government and misunderstandings on jurisdiction and rulings. The leading feature refers to the defining of the duties, powers and privileges of the high council. This high council of the church is a body composed of twelve high priests, chosen from among the high priesthood and set apart to this calling by ordination, by direction of a high council, or general conference, and presided over by the first president of the church.

A Tale of Woe

Important to Sufferers From Heartburn, Loss of Appetite, etc.

Mr. W. E. Robertson.

"St. Louis Grocer and General Merchant, Editorial Department, St. Louis, Mo."

"Early last summer I became afflicted with heartburn. Frequently I was seized with

Stomach Trouble and Indigestion.

I lost flesh, my weight falling off from 175 pounds to 150. I worried alone for six months, trying first one and then another friend's prescription, seeking a relief. My appetite was gone, and I couldn't have used any digestion if I had had it. Well, I chanced to read an advertisement in a St. Louis paper, in which the statement was made that Hood's Pills were a bottle and began taking it, and just then I began to feel better. What there was left of my stomach would

Tangle Up Like a Pretzel

If I as much as thought of eating anything solid, and I knew that Hood's Pills wouldn't do any more than make it turn a hand spring. But I was disappointed. A few doses of Hood's Pills and I began to feel better. I could hardly believe it myself when I ate a half of a lobster and found that it really meant to remain with me over the hill. Gradually my

Appetite Returned to Me.

And I soon found I could eat most anything and also began to grow fat. I took 24 bottles of Hood's Pills, and then quit because I had to. My salary wouldn't justify any more to eat. I could sit down at a well filled table and

Hood's Pills Cure

eat a clear spot around myself in ten minutes. Thus briefly I stated the narrative of the Fall and Rise of a Zenious Stomach, over which I preside." W. E. ROBERTSON, St. Louis. Hood's Pills cure all Liver Ills, Rheumatisms, Jaundice, Indigestion, Sick Headache, etc.
